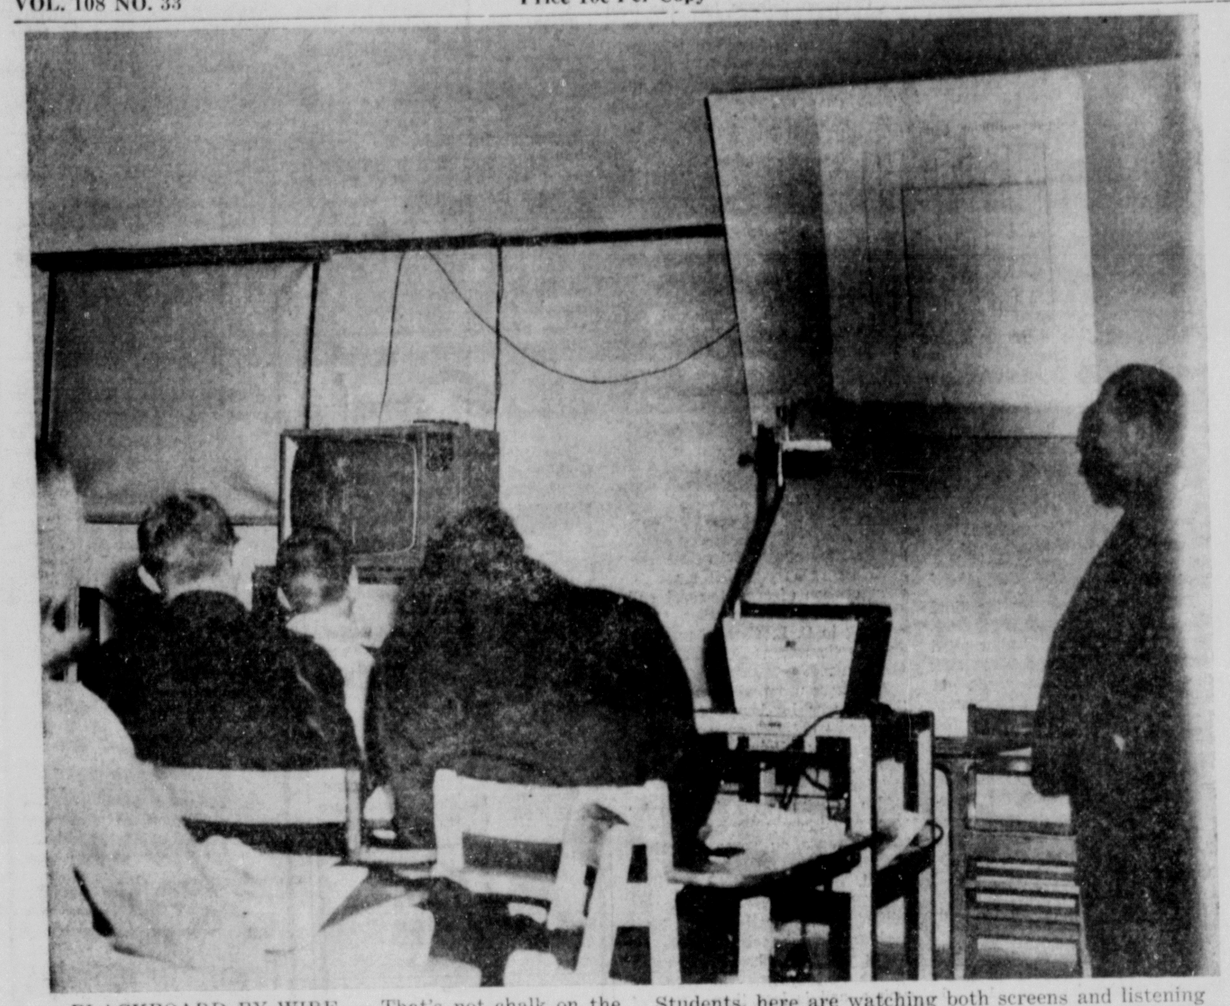
VOL. 108 NO. 33 | Price 10c Per Copy | CAMERON, MILAM COUNTY, TEXAS, THURSDAY, NOV. 2, 1967 | All Departments 697-4671 | 12 PAGES TODAY



BLACKBOARD BY WIRE — That's not chalk on the television set, center left. It is the outline of math symbols projected by electronic stylus over telephone lines to Yoe High School's receiving set. Teacher Fred Johns, at right, stands beside a projector which screens a group of the symbols being drawn on the TV screen by an instructor in the Rockdale Schools, in this case. Students, here are watching both screens and listening to the Rockdale instructor. A nearby microphone allows students in Cameron or wherever the signal is picked up to ask questions of the unseen instructor. Schools in Cameron, Rockdale, Navasota, College Station and a few others are participating in this advanced program.

Looking Ahead

USDA Seeks Cut In Grain, New Price

108

By F. M. L.

Bill Burns, chairman of the Cameron Industrial Foundation's fund committee, said plans are moving toward completion for the CIF's next fund drive for the latest industrial prospects.

More than that, he would not say. A kickoff effort probably will be forthcoming.

108-108-108

Some sayings on age:

"To make a success of old age, a fellow has to start young."

"A man is always as young as he feels, but seldom as important."

—Cogs

108-108-108

It is Cameron's good fortune that none of those youngsters was more than sick. A combination of staph infection and inadequate refrigerating facilities for cooling some of the food fast enough seemed the cause.

108-108-108

Two more business changes or announcements bring to six the number of sales, new construction or moves announced in the past 10 days. And we are told more are in the offing as Cameron appears to be anticipating the growth prospect of industry.

108-108-108

Had occasion recently to hear Harrison Salisbury, assistant managing editor of the New York Times. He is the newsman sent to view the bombing incidents in North Vietnam.

Interestingly enough, he spoke on new generation of young people in Russia, where he recently toured with a team of Times reporters.

Salisbury says the young generation in Russia wants the things the young generation in the U.S. has. After they get them, will their "hips" and ultra rebellious types have the same reactions the U.S. is experiencing.

Salisbury says intellectuals there are beginning open protest which has been unheard of in Russia since the Bolshevik Revolution. Perhaps it is a new era of awakening.

G. S. Moss Appointed Cameron Police Chief

G. S. Moss of Rocklale has been named police chief for the City of Cameron and officially started work Wednesday.

Moss retired as Rockdale police chief last year after 5½ years in the South Milam city. He has also been in police work in Bryan and the Freeport area.

Yoe Goes For District Title

By Fritz Pratt

This week the Fighting Yoemen meet the Giddings Buffaloes on Yoe Field as the Yoemen end district play for the season.

The Buffaloes have been having line trouble this year since their big guns from last year all graduated. But a veteran backfield will support the squad. It should be said here that a backfield goes nowhere without a line that at least moves the opposition out of the way.

Coaches Holick, Long, Hemera, and Zacharias have taken what line material they have and whipped it into a fairly strong wall. But lightness is not a virtue which becomes a line, and a major weakness of the Giddings line is its lack of weight.

The Buffaloes have 11 returning lettermen and 3 offensive and 4 defensive returning starters. Listed as players to which are Larry Sanders, Curtis Namken, and Victor and Ronnie Urban. James Dubcak and Sanders are possible all-district material.

The Buffalo roster follows:

Curtis Namken, Sr, QB, 170, cap.
L. A. Zoch, Jr, HB, 145
Paul Krugler, Sr, HB, 145
Billy Maxey, Jr, QB, E 145
Bennie Droemer, Jr, HB, 145
Steven Keng, Jr, HB, 165
Ronnie Urban, Sr, FB, 185
Victor Urban, Jr, FB, 185
Larry Sanders, Jr, HB, 185
James Mittasch, Sr, G, 135
Mike Grimm, Sr, G, C, 145
Bill Siegler, Sr, T, C, 235
Virgil Birnbaum, Jr, G, 155
Donald Saegart, Sr, G, 165
Charles Handrick, Jr, G, 150
John Krause, Jr, G, 165
Wilbert Birnbaum, Sr, T, 165
Larry Moore, Jr, T, 165
Charles Gilmore, Soph, T, 185
Mark Krugler, Jr, T, 150
James Dubcak, Sr, E, 190, cap.
Thomas Clinton, Sr, E, 160
Darrel Sanders, Jr, E, 160
Roy Drosche, Sr, E, 170

This is the game which decides the champion of District 17AA. The Yoemen are up for this one with high hopes.

If you noticed, in the above article I did not say this was the last game for the Yoemen. I said this was the last district game for the Cameron squad.

"Go Get'em, Yoe!!"

Virginia Seminary Graduate Is Named Presbyterian Pastor

Rev. Wirt Skinner, newly appointed pastor for the First Presbyterian Church, Cameron, will give his first sermon here Sunday.

He is a graduate of Union Seminary, Richmond, Virginia and has served as associate pastor of a Presbyterian Church in Scotland for the past year. He is a native of Decatur, Georgia.

Rev. and Mrs. Wirt moved into the Presbyterian parsonage on East 6th St. Wednesday.

Groundbreaking Set At Hospital For New Addition

F. L. Gregory, member of the Board of Directors of Newton Memorial Hospital and hospital business manager, has announced ground breaking ceremonies for a new 22-room addition 2 p.m. Friday at the hospital grounds site.

On the program will be B. M. McMillion, president of NMH Board; L. A. Dusek, vice president; and Charles C. Smith, N. L. Caperton and Gregory, Board members.

Gregory said members of an Advisory Board and Harold Warren, managing consultant, also will be on the program. The Advisory Board which assisted in the fund program of the present hospital are Drayton McLane, Henry Siebman and Jack Tumlinson.

Chandler Construction Co. of Hearne, was awarded the contract for the 22-room, 44-bed addition, Gregory reported. Work is to begin immediately with completion expected in an estimated five months, he said.

The present structure was opened in 1962, offering 35 patient beds, operating room, delivery room, X-ray, laboratory, emergency treatment facilities and business offices.

Gregory said "many times since the new hospital opened there has been an overflow of the patient facilities."

The project is being financed with contributions and private funds, Gregory noted. No participation from government sources is involved.

Gregory said the public is invited to share in the community improvement project. He said several "public spirited citizens already have pledged their financial support."

Officials Await Final Food Test

Cameron school and health authorities were still awaiting final reports on the cause of illness that affected about 70 children who had eaten at Ada Henderson school cafeteria last Tuesday.

Roderick Holcombe, newly appointed county sanitation inspector, said it was almost certainly a form of staphylococcus infection, following early reports from the State Health Department.

He said turkey for sandwiches had been baked Monday in preparation for the Tuesday menu and staph could have been transferred to the meat. The bacteria grew on the warm meat, causing a toxin which made the students ill.

Holcombe said inadequate refrigeration facilities slowed the meat cooling process and presented ideal conditions for the staph to grow. He explained that the staph produces a poisionous toxin which is tasteless and odorless. He added that it would make a person ill for a short time, but would not cause serious illness.

Holcombe, who said a similar incident had occured in the Austin schools with pre-cooked ham, said the presence of staph was not uncommon.

He estimated that 20 percent of the people at any given time carry staph on their hands, and that it will form the toxin only under certain conditions.

Supt. D. R. Dodson said this week that precautions were being taken for the future, and agreed with Holcombe that refrigeration facilities in the Ada Henderson school were not adequate.

He said that the cafeteria had excellent automatic dishwashing equipment, but space did not allow enough refrigerators to properly store cooked foods. He pointed out that 300 students were being fed from a kitchen that is slightly smaller than the average family size kitchen.

$63,402 In Permits

Construction Gaining

Building permits for September and October in Cameron totaled $63,402, including remodelings and additions, an automatic car wash and private home construction.

Plans were also announced for a new dry cleaning plant to be built at 6th and Fannin.

Johnny Springer, formerly with Markham Cleaners, has purchased Cammer's Cleaners and will move to a new 6th and Fannin location by January 1.

Springer, who has 19 years experience in the dry cleaning business, said the new plant will be 30x90 ft. and will include a drive-in window. The building will be built by Gordon Baskin for Springer Cleaners.

Included in the city building permits are:

An automatic car wash and gas station being built by Mack's Oil Company at 4th and Jefferson. A. W. McCullin said the station will include two self-service car wash racks, a completely automatic 2-minute car wash and coin operated gasoline pumps.

McCullin said the gasoline pumps were an innovation in service station equipment and the Cameron station will be the third in the state to install them. He said they operated with either coins or bills.

The station is scheduled to open November 10.

A building formerly occupied by Schigut's Dept. Store is being remodeled for Lone Star Gas Company's district office. The office, presently located at 204 W. 1st, will move into the new quarters about January 1.

Also included in the building permits for September - October is a 17x90 foot addition to Matula's Supermarket.

Lightning Strikes Telephone Cable

High winds and a heavy electrical storm broke tree limbs and left about 600 area residents without telephone service Sunday night.

Southwestern Bell Telephone Co. brought a repair crew from Temple Monday to begin restoring service to Cameron telephones after lightning struck a cable here about midnight Sunday. A Southwestern Bell representative said all phones were working by Wednesday night.

The storm which brought 2.1 inches of rain to the Cameron area also interrupted service on a Texas Power & Light Co. transmission line which caused a flickering of electric power about 10:30 p.m. Sunday.

Temperatures dropped from a warm 85 Sunday to a 54 high reading Monday.

Official Cameron temperature readings were:

Oct.	HI	LO
25	80	49
26	83	48
27	81	59
28	78	50
29	85	50
30	51	48
31	60	44

Rites Held For Mrs. F. B. Durnie

Mrs. F. B. Durnie, 73, of Rt. 4, Cameron, died at 5 a.m. Wednesday, October 25 in a local hospital following a heart attack.

Mrs. Durnie was born September 21, 1894, at Gay Hill and had lived in Milam County the past 50 years. She was a member of the First Presbyterian Church.

Funeral services were held at 1 p.m. Friday, October 27 at Marek - Burns Funeral Home, the Rev. John Solomon officiating. Burial was in Oak Hill Cemetery.

Surviving are her husband, F. B. Durnie of Cameron; one son, Albert Durnie of Cameron; four daughters, Mrs. Marcella Williams of Little Rock, Arkansas, Mrs. Selma Spicak and Mrs. Ida Juergens of Cameron, Mrs. Lucille Wood of Kindallville, Indiana; four sisters, Mrs. Bertha Hanel of Dayton, Mrs. Emma Fischer of Houston, Mrs. Lillie Dodson of Waco, Mrs. Selma Hood of Garlyle, Ill., and seven grandchildren.

Pallbearers were A. W. Rettig, Otto Kelm, Hubert Marek, J. J. Heitman, Carl Black and Grady Allen.

Povasek Killed In Fall From Hunters Stand

J. A. Provasek, 65, was killed when he fell from a deer stand near New Baden about 4 p.m. Thursday, Oct. 26. He was pronounced dead in a Temple hospital shortly after the accident.

A relative said he and Provasek were at a deer lease to repair the stand. The stand, about 30 feet high, fell while Provasek was inside, and apparently landed on top of him.

He was born April 12, 1902 in Brenham. He was a bus driver and supervisor of buses for Cameron Independent School District.

Funeral services were at 2:30 p.m. Saturday in Hope Lutheran Church at Buckholts with Rev. Glenn Moehring officiating. Burial was in Oak Hill Cemetery.

Survivors are his wife, Mrs. Sophia Provasek of Cameron; two sons, E. J. Provasek, Cameron and Denson Provasek, Waco; one daughter, Mrs. Laverne Slavik of Cameron; three brothers, Charlie Provasek of Temple, John Provasek of Yucapia, Calif., and R. D. Provasek of Cameron; four sisters, Mrs. Rosie Ermis, Jourdanton, Mrs. Mary Kamenicky, Mrs. Evelyn Marek and Mrs. Lois Matula, all of Cameron; and four grandchildren.

Pallbearers were Lydmil Ermis, Melvin Provasek, Monroe Marek, R. B. Kamenicky, Willie Provasek and Arnold Orsag.

Marek-Burns Funeral Home was in charge of arrangements.

12 Called For Army Induction

Local Board No. 92 forwarded twelve registrants for induction and eleven registrants for pre-induction physical examination on November 1.

Reporting for induction were: Donald W. Homever, Glen D. Dyer, Frank J. Dohnalik, Jr., Hubert W. Solomon, Robert J. Klecka, Jimmy L. Halpain, Delmer R. Glaser, Don W. Wyatt, James D. Hodge, David Fillmore, Calvin W. Arbor, and Ernest S. Galvan.

Reporting for examination were: Alvin A. Beran, Robert Espinosa, Richard W. Pearce, Ronald L. McWilliams, William B. Nelson, Raymond L. Scott, Monte R. Muecke, Lacy S. Stephens, Jr., Jimmy C. Johnson, Billy C. Staley and Gerald S. Schmale.

Cameron Gardens Grow Rare Fruit

A year for the unusual in Cameron gardens has clusters of persimmons shaped like hands on a tree in the yard of Mrs. Marvel Hughes and 15 to 20 pound watermelons ripening on a vine at 1301 West 7½ St.

Mrs. Hughes' tree at 204 N. Austin is heavy with orange persimmons hanging in clusters like grapes. She reported it was the first time the tree had borne fruit like this.

Watermelon seed planted by Ruth, Margaret and Elmer Canady in their garden at 1301 West 7½ St. early in August is now growing 3 watermelons long past the normal watermelon season. Each melon weighs from 15 to 20 pounds.

Member Applications Out For Teen Club

Membership applications for a Cameron teen club are being distributed in the Cameron schools and projects to raise money for the teen center at 1st and Central St. are being planned.

The center, which will open as soon as remodeling work is completed, will be called Katacomb Teen Club and will include both recreation and lounge areas.

A constitution recently adopted by the board of directors calls for the club to provide suitable recreation facilities for young people of Cameron between 13 and 19 and in grades 8 through 12; and to otherwise further the interests of the young people of Cameron.

Membership will be by election and will be composed of boys and girls who are full time students in Cameron.

MILAM PLANTS 75M ACRES DURING '67

The Department of Agriculture at mid-week announced a 1968 voluntary feed grain program aimed at additional diversion of acreage, including some of the 75,000 acres in Milam County.

The new program aims at reducing grain acreage nationally by 35 millions, while increasing farmers' income an estimated $400 million.

Alva Sanders, manager of the Milam Agriculture Stabilization & Conservation office, estimated that income from grain and corn sales in 1567 was about $4 million. This is a conservative estimate, he said.

Locally, the projected cutback, if opted, affects farmers planning to plant next year and having to estimate fertilizer needs now.

Milam grain farmers, both corn and maize growers, had a good price in the 1967 season and normal production in a drought year.

GOOD 1967 PRICE

The 1967 price locally was higher than Midwest prices because the Milam grain was harvested earlier in the season when demand exceeded supply.

But Milam and Texas farmers, according to reliable sources, will be starting the 1968 crop year with a surplus, indicating lower prices which, as yet, are unknown.

Diversion payments which encourage cutback in grain acreage in 1968 will be:

CORN—Loan of $1.18 bushel plus a 30-cent payment times the 45 per cent of the farmers projected yield.

MAIZE—Loan of $1.80 bushel plus a 53-cent payment times 45 percent of the farmers projected yield.

Thus, the farmer would be paid a $1.48 per bushel times 45 percent of projected yield for corn and $2.33 per bushel times 45 percent of projected yield for maize.

Agriculture Secretary Freeman said "bumper crop weather at home and abroad in 1966-67 has led to world-wide extra production of grains. Importing nations have less need. Exporters have more to offer. This world crop has pressed hard on U. S. prices."

Jay Naman, president of Texas Farmers Union, said "farmers income will increase some $400 million over 1967 if there is sufficient participation in the program."

SHIRT-SLEEVE VIEW

"Secretary Freeman has followed the recommendations of farmers at the 'shirt-sleeve' feed grains meetings and announced a program which is generally in line with farmers' thinking," Naman said.

Naman said also Freeman's action was a "step in the right direction, although it did not accomplish "100 percent parity", a goal of National Farmers Union.

"The success or failure of the '68 program depends in the last analysis on farmer participation," Freeman said.

The Milam ASCS had yet to receive particulars on the program at presstime.

But USDA estimates under the new program, participating farmers will benefit not only from improved payments, but also from higher market prices, Secretary Freeman said.

Rockdalian Dies In Truck Wreck

Jesse Clay Mathews, 27, of 700 Rockdale Rd., Rockdale was killed early Wednesday morning when the truck he was driving hit a culvert and overturned.

Highway Patrolman Dave Hicks said Mathews was driving a 1960 International truck owned by Riley Gillan of Davilla.

The semi-trailer van was loaded with milo maize and reportedly was enroute to a granary in Granger.

The accident occurred at 5:30 a.m. 6 miles west of Georgetown on SH 29.

Hicks said Mathews evidently went to sleep and the truck laft the road, hit a culvert then veered into 3 trees and overturned.

The trailer crashed into the cab pinning Mathews in. The investigating officer said it took more than an hour to free the driver from the cab.

Law Enforcement Is PTA Program

The Cameron PTA will meet at 7:30 p.m. tonight (Thursday) in the Ben Milam Cafetorium.

The program will be a group of law enforcement officers discussing the topic "Encouraging Respect for Law and Order." Also, Mrs. Schuhsler's 3rd grade class will give a short program.

Refreshments will be served and baby sitting will be provided.

Was It Sudden?

Jerry Marcus

Driver error is a leading cause of accidents.

Yoemen Nip Rattlers

By Fritz Pratt

Fighting Yoemen downed the Navasota Rattlers by a smashing score of 31-0 Friday night.

Yoe offense was led by Glenn Fogle, Wayne Kirk, and Al Hefft, as it piled up 340 total yards offense. Defensive efforts were led by John Urban, Dennis Chaoman, David Barrett, and John Hosch. This faultless defense never allowed the Rattlers to get past the midfield stripe.

This win put the Yoe season record at 4-4, and the league record at 3-0. The Yoemen are presently leading 17-AA play, followed closely by the Giddings Buffaloes, who have a 2-0 district record.

Fogle made 2 interceptions, with Lafferty and Hefft making 1 each.

Navasota won the toss and elected to receive. Miller hung the ball in the air with a spiraling kick which landed in the arms of Jerry Moore. Moore was downed quickly, and the Yoe defense dug in. The Rattlers were forced to punt on 4th down. After a short return by Kirk the Yoe offense took the field.

First play from scrimmage was Al Hefft through the line for 5 blazing yards. Fogle kept around right end for 3 on the next down. The 3rd down try went to Crouch who was caught behind the line for a loss of 1 yd. Miller punted on 4th down.

On first down the call went to Kirk who struggled through 6 yds of Rattler defenders before being pulled down. Crouch was again caught behind the line, this time for a 2 yd loss. Fogle sought his right side line and found it for a gain of 4. But the Yoemen were short of a 1st down so Miller booted the ball out of dangerous territory.

It was Kirk for 6 on first down, followed by Hefft, who blasted out 15 yds and another 1st. After a shot at the middle of the line, Fogle tried 2 passes to Lafferty, which fell incomplete. Instead of going for the yardage, the Yoemen tried for a field goal. Miller split the upright with his kick to place the first score on the board, 3-0.

Navasota began to roll and picked up a 1st down. But they were forced to punt on a 4th down, as the 1st quarter ended.

Hefft beat out 5 yds on 1st down, and Kirk followed on 2nd for 3 yds. Crouch added 1 more on the next play but this was not enough for a 1st. Miller punted on 4th down.

The Rattlers picked up another 1st down and a quick kick on 3rd down caught the Yoemen by surprise, but Lafferty recovered in time to scat back and catch the punt. The tall end returned the ball for 15 yds.

Now the mighty Yoemen set sail for paydirt and a pack of 1st downs. On the first play from scrimmage, Kirk stomped through 10 yds of Rattlers for a 1st. Crouch streaked through 9 yds on the next play. Kirk added 5 more and Crouch hunkered through the line for 10 big yds on the following play, but a penalty nullified the gain. Then Fogle was in the clear, sprinting around left end for 32 yds before he was hauled down from behind. It only took 2 more plays, with Hefft drawing the Yoemen 7 yds closer to a TD. Kirk finished off the drive smash up the line. Miller easily booted the extra point and the score was 10-0.

Six plays later Yoe tallied a TD. On 1st it was Kirk for 7, then a Fogle pass to Hosch which fell incomplete. Kirk added the 3 needed for another 1st. Fogle's pass to Lafferty missed its mark, but the Yoe field general made up for it on the next play as he scooted around left end for 20 yds. An 11-yd bomb from Fogle to Crouch was good for another TD. Miller narrowly missed his PAT kick, and the score stood at 16-0.

SECOND HALF

Miller took the Rattlers' second half kickoff and brought it out to the Yoe 37. It was Miller for 2 on 1st, Crouch for 2, then Fogle picked up the 6 yds needed for another 1st. Miller bucked out 3 yds on 1st and added 4 on 2nd. A Fogle pass to Hosch on 3rd missed and Miller punted.

Kirk stomped off 8 yds and Hefft was dropped for a 3 yd loss on the next play. But Hefft made it up as he ran 15 yds on the next. Kirk went for 2 on 1st followed by Miller for the same. Hefft sprinted for 10 yds on 3rd. Fogle hit right end to bring the Yoemen 10 yds closer to a score. A pass to Hosch connected and he struggled through 10 yds of Rattlers for another TD. Miller booted the extra point and the score was 23-0.

Yoe defense dug in on the Navasota 27. The Navasota squad punted on 4th down to the Cameron 34.

Miller went for 5 on 1st and Kirk added 6. Hefft shot into the open for 18 yds and a Yoe 1st. A fumble on the snap was recovered by Crouch but on the next play a Rattler defender came up with the ball to end the 4th quarter.

Hefft battled through 2 yds of Rattlers on 1st. A Fogle pass to Lafferty missed and a keeper around right end got Fogle only 1 yd. Kirk filled his new role of punter by putting the ball on the Navasota 20.

Navasota 4th down kick resulted in a score when Chapman blocked it. A 2 point safety was registered on the Yoe score, which was 25-0.

Cameron defense took the field again and tore the Rattler offense apart. Tackles forced the Navasota squad to punt on 4th. Kirk returned the boot 15 yds to the Yoe 48.

Mayer broke the line for 5 yds on 1st, followed by QB Crouch around right for 5 more. Hosch and Mayer each added 5 more yds to tally another 1st. Crouch was held for no gain on a sprint around left end.

Kirk picked up 6 on 2nd down and a penalty on Navasota added enough for the 1st. Mayer shot through 5 yds followed by Kirk for 2. Then Mayer hit the end zone from 6 yds out. Kirk's PAT try was blocked asd scoring was finished for the night at 31-0.

Yoe B Team Downs Navasota B Rattlers In 30 - 18 Upset

Yoe B team downed the Navasota B team 30-18 as the Cameron freshmen took over. This win puts the Yoe B team at a 2-1 record in district.

First to get on the score board was Navasota as field general Briers went over for the score from 1 yd out. This TD finished off a long drive down field. The extra point try failed and the Rattlers led 6-0.

The Yoemen quickly retaliated with a sustained march to 6 points. Dale Schigut took the final 35 yds with a long sprint to paydirt. QB Robert Brashear kept around end for the conversion. The Yoemen led 8 to 6.

The Cameron squad added another TD immediately with a grinding drive, ending with a 1 yd smash by Kenneth McLerran. The PAT was credited to a pass from Branshear to Jerry Richardson. The score was now 16-6.

So far the Yoe defense had been led by Timmy Titsworth and Robert Kopriva.

The Rattlers collected another 6 points with Briers hitting the end zone from 6 yds out. The extra point try was destroyed by the Yoe defense and the score stood at 16-12.

Taking the Navasota kickoff, Yoe gridsters McLerran, Schigut, Ed Whitley, and Jessie Reyes began to knock off the yards. But a 4th down pass attempt by Brashear was mauled when a Rattler defender broke through to down the QB for a 5 yd loss.

Yoe offense was led by McLerran, Schigut, Whitley, and Brashear. Defensive efforts were led by Gary Huntsman, Johnny Bailey, A. J. Hurtik, and Marvin Young.

Just 7 plays into the last quarter, the Yoe offense found the Rattler end zone again. The TD ended a 29 yd drive led by Schigut, McLerran, Whitley, and Brashear's passes. Schigut got the final yard, and the 2 point converstion came on a Brashear pass to Richardson. The score was now 22-12.

Rattlers now set sail for another TD despite the defensive efforts of Charles Riola, Richard Chamberlain, Huntsman, Kopriva and Doug Story. The TD was set up by a pass interception by Briers, who made the TD himself. No extra points could be made, and the score stood at 22-18.

Cameron took Evans' punt and ripped up the Navasota defense as they marched for their final 8 points. This drive got its spark from Schigut, McLerran, Brashear and Whitley. Reyes got the final 5 yds on a sprint up the middle. The clock showed only half-a-minute left in the game.

Chamberlain hauled down a Navasota back in the final seconds of the game. Final score -- 30-18.

Badgers Bow To Jonesboro 34 - 0

A deadly passing attack aided in downing the Buckholts Badgers with a score of 34-0.

This was the first District 10-B game for both teams and the win pushed Jonesboro up to a 7-0 season record, while Buckholts fell to a 3-4 season.

The Jonesboro scores all came through the air as 4 passes went for TDs and an interception was converted into 6 points.

Jonesboro QB Flan Nichols hit Bobby Murray with a 30 yd bomb for a touchdown early in the first quarter to give his team a 6-0 lead, then proceeded to connect with Larry Prewitt for 1 yd and a TD in the same quarter.

Scoring was halted until the 3rd period when Bill Ashby pulled in a Nichols pass for 34 yds and a hunk of paydirt. The PAT try failed, leaving the score at 18-0.

The 4th quarter saw Ashby pass to Murray for 40 yds and a TD. Ashby's kick placed the score at 26-0.

The next 6-pointer came on a pass interception by Ray Sommerfield who returned the ball 1 yd for a TD. Sommerfield booted his own extra point and the tally went up to 34-0 where it stayed the rest of the game.

Kenneth Marek led the out-classed Buckholts defense.

This week the Badgers travel to meet Coolidge in another 10-B district game.

	Buckholts	Jonesboro
First Downs	3	8
Yards Rushing	9	117
Passes Attempted	15	18
Passes Completed	5	11
Passes Intercepted by	1	3
Fumbles Lost	2	4
Punts	5 for 25	0 for 0

Eagles Roll Over Troians 42 - 0; Hold DistrictLead

Rogers' Eagles came blasting back from a tie with Lexington to exterminate the Troy Trojans, 42-0.

The Rogers fans were apprehensive as to their offense since Larry Griffith has been side-lined by injuries, and Mike Mayfield has been forced to kicking only for the same reason.

But the Eagles took the opening kick and shot down the field in 13 plays, with most of the yardage going to QB Eddie Henderson, and Billy Craft and Wayne Psencik. Maysfield's kick went wide and the score stood at 60.

Troy took the Eagle kick and on the 2nd play from scrimmage, fumbled, and linebacker Ricky Raley recovered for Rogers for a TD. Mayfield booted on target this time, and the clock showed 13-0 with 4:21 left in the 1st quarter. Sulak picked off a Troian pass and returned it 48 yds to the Troy 47.

Four plays later Craft, who totaled 79 yards for the night, sprinted 27 yds around left end to paydirt. Mayfield's PAT try was blocked and the score was 19-0.

Less than a minute later Raley intercepted for the Eagles and scampered 28 yds to the end zone. Mayfield's kick made it 26-0.

The Eagle 2nd and 3rd teams took over and the leading ground gainer was Eugene Brenek, a freshman. This big bruiser piled up 118 yds for the game.

Coach Godwin would not let his team run up the score as he called for field goal attempts on 1st downs Mayfield missed the first one but hit the second to leave the halftime score at 29-0.

Rogers finished scoring for the night as Brenek sliced through 32 yds of Trojans for paydirt. Mayfield kicked the extra point and then went on to boot out 2 more field goals, one a 32 yarder, the other for 18.

Offense standouts for the Trojans were Mike Morano and Dean Randolph, who also had great nights at their linebacker spots. Other defensive standouts were Mike McMurty, Glenn Graves, and Tommy Maedgen.

Great defenders for Rogers were Sulak, Raley, Dale Sitz, Gene York, Charles Sulak, and Hendersor.

The final score -- 42-0.

This week Rogers meets Granger on their own field.

Milano Smashes Oakwood, 77 - 25

Eagle field general Robert Silva led Milano to a 77-25 win over a tough Oakwood team with a powerful passing attack. The statistics:

	Milano	Oakwood
First Downs	16	11
Yards Rushing	160	134
Yards Passing	415	166

Passes Completed	18	16
Passes Intercepted by	1	0
Punts	0 for 0	2 for 25
Fumbles Lost	2	0
Penalties	2 for 30	5 for 45

Silva's passing accounted for 5 touchdowns: Bruce Coldiron and Morris Popham each scored 2, and Ethan Williams made 2 with a pass and a run.

Popham got his two on runs of 2 and 8 yds. Silva tallied on a 3 yd spurt, and Williams went for 10 on his 6-pointer.

The first Milano score came on a 20 yd pass from Silva to Grover Morgan.

Next Silva hit end Mark Story with TD passes of 30, 2 and 16 yds to push the Eagles out front by a large margin.

Other scoring pitches went to Gary Leatherwood for 25 yds and Coldiron for 38. The latter pass was thrown by Williams.

Morgan accounted for 5 PAT kicks to finish off Milano's lead.

Oakwood's Jack Johnson piled up 2 TD runs and the other scores were divided between Alvin Rutherford and Roy Gibson.

Milano coach Gail Davidson said, "All the boys played well, and our passing attack looked real good tonight." He had only high praise for his defensive unit.

The final score - a blistering 77 to 25.

Rosebud Takes 4-0 Lead In District 22-A After Robinson Tilt

The Rosebud Black Panthers smothered the Robinson Rockets last Friday night by a score of 21 to 6. Robinson got on the score board first with a 26 yd pass from Mike Mounce to end Doug Peevey. The PAT try failed and scoring was finished for the night for Robinson, as Rosebud took over.

The Panthers didn't get on the board until late in the 3rd quarter when star tailback Alfred Knox blasted through 52 yds of Rockets for a 6-pointer. He then proceeded to kick his first of 3 PATs.

Early in the last quarter, QB Raymon Puente capped a 57 yd drive with a 2 yd scoring burst. Knox' point after was good.

End John Coulter set the final Rosebud TD with pass receptions for 18 and 21 yards. Coulter piled up 88 yds in the game. Knox took the score from three yards out with 19 seconds left in the game. Larry Spivey totaled 88 yds for the night, and Knox had 150 for his carries.

Rosebud, now 4-0 in district, leads District 22-A, while the Rockets have a 2-3 league record.

This week the Panthers stay at home as they meet the Moody squad.

'RED FACES'

By Fritz Pratt

"Four Way Possible Tie in 17-AA" . "17AA Title Up For Bids" 'Battle For 17AA Championship" These were a few of the headlines in pre-season articles as area papers predicted a real battle between Cameron, Giddings, Hearne, and Navasota for the District 17AA title.

Now, as the season is almost over, the prognosticators' faces are turning red. Hearne is yet to win a district bout, and Navasota is in the same predicament. Giddings and Cameron have clearly emerged as the leaders in the district.

Looking back on the 13-8 defeat Cameron handed Giddings, you will remember that tempers flared in the final quarter of last season's game, resulting in some unsportsman-like conduct. This action was partly excusable since both teams knew that the district title was in their hands. Now that most of the Cameron squad has nearly 2 seasons of play behind them, tempermentality should be rare.

This year's Yoemen have definitely risen above the expectations of predicting sports writers. In each game, win or lose, they have conducted themselves in true Yoe fashion.

Even if the Yoemen lose district, which is very improbable, they will have proven themselves champions of a different sort. They will have shown themselves to be the good sports that football is supposed to produce.

SWB Announces Long Distance Rate Reduction

The 22nd major interstate long distance rate reduction since the inauguration of coast-to-coast calling is effective November 1, according to C. L. Carson, manager for Southwestern Bell Telephone Company.

Telephone users will benefit from the changes by longer time periods and additional days when low rates apply, lower charges on many calls and new "Midnight to 7" rates.

Also effective with these major rate reductions will be a small rate increase on some interstate calls under 24 miles, Carson reported.

In 1915, the year coast-to-coast calling began, a call between New York and San Francisco cost $20.70. Today, after 22 reductions in rates by the Bell System, the rate for such a call is less than 1-20th of the 1915 level.

ASCS News

By Alva E. Sanders

County office work in now current and awaiting the acreage allotments, bases, and yields apportioned to the county from the State Office. The State Office distributes to the counties the acreages and yields accordingly when received from Washington.

Upon receipt of the acreages and yields allotted to Milam County for the 1968 year, operations will begin immediately in establishing these for the individual farms in the county.

With at least one-half of the peanuts already harvested in the county, it seems production is falling somewhat below the average for this year. The contributing factor being the drought that was suffered during this growing season.

The county normal yield is set at 783 lbs. per acre. This was determined on the basis of a five year average taken throughout the county. As a comparison, the production for the past season of 1966 averaged some 1117 ibs per acre for the county.

I would like to take this opportunity to remind farmers that the final seeding date for winter legumes, Practice D-1, is November 15, 1967. Those producers having outstanding practices are urged to report performance as soon as the practice is completed. Performance must be reported by the expiration date after the completion of a practice.

Producers who have not completed a practice or who do not intend to do so this year, are asked to please advise the county office of their intentions.

WSCS PROGRAM ON ART, ARTISTS

The members of the Womans Society of Christian Service met in the Fellowship Hall of First Methodist Church to study "Art and Identity."

Miss Mary Yoe led the program and was assisted by Mesdames Bob Terry, Robert Clark and Sam Brewer.

Slides of modern paintings were shown and interpretations were given as to what the artist was trying to convey in his painting.

Cosmic dust is settling on the earth three times faster than 700 years ago.

The coconut palm, sugarcane, banana, mango, and bamboo are not native to the West Indies.

• Burlington

By Mrs. Gera d Foshea

The Burlington Recreation and Fire Dept. is sponsoring a turkey supper Nov. 9, at the Burlington School House, beginning at 5:30 p.m. Everyone is invited to attend.

A monthly meeting of the Burlington Recreation and Fire Dept. will be held every first Tuesday. November 7 will be the next meeting. Everyone in the community is urged to attend.

Mr. and Mrs. Herman Dorner Jr. honored their son, Ronnie, and daughter, Frances, with a birthday supper Sunday. Those attending were Mr. and Mrs. Herman Dorner Sr., Mr. and Mrs. M. D. Swanzy of Rosebud, Mr. and Mrs. Gilbert Green and daughter of Temple, Mr. and Mrs. Eugene Hoff and children and Waylon Dorner of Ft. Hood.

Mrs. Kenneth Cornell of Pasadena spent a few days last week visiting her mother, Mrs. M. H. Hagerty, Harry and Kathleen. She returned home Friday. Others visiting them during the week were Mr. and Mrs. M. H. Hagerty of Kingsville, Mr. and Mrs. Cecil Armstrong and Mr. and Mrs. Fred Peed of Cameron.

Ricky Archer of Temple and Mr. and Mrs. Fred Bailey Jr. and family of Lake Jackson visited Mr. and Mrs. W. G. Marek this weekend.

Mr. and Mrs. W. G. Marek attended a fish fry at Clayton Barton's farm on Little River, near Cameron.

Mr. and Mrs. J. T. Prescott and Jake visited Mr. and Mrs. H. B. Christelles, Darrell and Glinda on their farm at Magnolia Sunday. They were met there by Mr. and Mrs. Billy Jeff Prescott and girls of Houston, Mr. and Mrs. D. L. Prescott and Mrs. Lola Westbrook of Waco, and Mr. and Mrs. Wyatt Oates and sons of Houston.

J. J. Foshea of Waco visited relatives here and at Rosebud Tuesday while Mr. and Mrs. George Poole and Earle Poole went to Maysfield and Cameron.

Mr. and Mrs. Elgin Hensel of Rosebud, Mr. and Mrs. Rudy Wunsch of Barclay, and Mr. and Mrs. Leon Hensel of Waco visited their parents, Mr. and Mrs. A. E. Hensel Sunday.

We received over 2 inches of rain Sunday night which was welcome.

Obituaries

Retired Vet David Smith Dies At 81

Dr. David P. Smith, 81, died Wednesday, Oct. 25, in a local hospital. A lifelong resident of Milam County, he had been in declining health for several years. He was a retired veterinarian.

Dr. Smith was born in Mayfield and moved to Cameron while a young man.

He is survived by his wife; two daughters, Mrs. Frances Mercer of Houston and Mrs. Maydell Graham of Midland; one sister, Mrs. Mary Emma Hurst of Houston; three grandchildren and one great grandchild.

Funeral services were at 3 p.m. Friday in the chapel of Green's Funeral Home in Cameron, Rev. J. E. Lafferty officiating. Burial was in Oak Hill Cemetery.

Pallbearers were his grandsons and nephews. Honorary pallbearers were Pat Sanders, Dr. Luke Nigliazzo, Dr. W. R. Newton, Jr., Carl C. Black, Dr. A. E. Kruse, Dr. Joe Parker, C. L. Lively, and V. T. White.

Rites Held For Dr. Glenn Flinn, Minister - Teacher

Dr. Glenn Flinn, a distinguished resident of the Wesleyan Home of Georgetown for the past several years and a retired minister and educator, died in Georgetown Friday after an extended illness.

Dr. Flinn, 90, was a leader and pioneer in Methodist student work and helped organize the Texas Methodist Student Federation. He served pastorates in Louisiana and Texas and was district superintendent of Jacksonville and Houston districts of the Methodist Church. He retired in 1962.

He was born July 4, 1877 in Calvert, son of John E. and Katherine Flinn, and married Miss Elizabeth Brewer of Georgetown in 1902. Mrs. Flinn survives him.

He received his A.B. degree from Southwestern University in 1900 and B.D. degree from Vanderbilt School of Religion.

Honors included the D.C. degree by Southwestern University in 1956; a Citation from the United States General Board of Education in 1964; and listings in Who's Who in the Southwest and Who's Who in Methodism.

Funeral services were held Sunday afternoon at the First Methodist Church, Georgetown. Officiating were Dr. Wallace Chappell, Bishop W. C. Martin, Bishop Kenneth Pope, Bishop John Donaho and Dr. Durwood Fleming.

Rosebud Services For Herman Lange

Herman Lange, 74, of Rt. 2, Cameron, died at 4:30 a.m. Monday in a Rosebud hospital after a long illness.

He was born in Welcome, May 18, 1893, and lived most of his life in Milam County. He was a retired farmer and rancher, a member of the First Lutheran Church in Rosebud and a veteran of World War I. He was a member of the American Legion.

Funeral services were at 2 p.m. Tuesday at the First Lutheran Church in Rosebud, the Rev. Louis Wickham officiating. Burial was in Vogelsang Cemetery at Ben Arnold. Green Funeral Home of Rosebud was in charge.

Surviving are two brothers, Paul Lange of Cyclone and Emil Lange of Cameron; three sisters, Mrs. Helene Baumgartner of Rosebud, Mrs. Pauline Moeller of Houston and Miss Olga Lange of Cameron; and several nieces and nephews.

Santa Fe Reports Net Income Down

Consolidated net income for the Santa Fe Railway System and its controlled affiliated companies for the first nine months of 1967 was $40,657,363, compared with the all-time record high of $68,657,812 for the corresponding period last year, according to a statement by Ernest S. Marsh, chairman.

Earnings per share of common stock for the first nine months are $1.46, compared with $2.60 per share for the same period last year.

Third quarter figures show a consolidated net income of $9,666,834, compared with $22,718,642 for the corresponding period a year ago.

Marsh pointed out, "Results for the nine months were adversely affected by the shopcraft work stoppage in July and prolonged strikes in the automobile, copper and other industries which were concentrated in the third quarter."

Green tea is so popular with the Japanese that they use it to flavor ice cream and candy.

Rettig Services In Rockdale

Ruben Henry Rettig, 81, of Cameron, died late Friday afternoon in a Cameron hospital after a long illness.

Funeral services were at 2 p.m. Sunday at Phillips and Luckey Funeral Home chapel in Rockdale, the Rev. Walter B. Funk of the First Presbyterian Church of Rockdale officiating. Burial was in Murray Cemetery near Rockdale.

Mr. Rettig was born near Rockdale. He had lived in Cameron the past 20 years with his sister, Miss Laura Rettig.

Surviving are his sister, Miss Rettig, and a brother, A. W. Rettig Rt. 2, Cameron.

Mrs. Matula Feted On 84th Birthday

Mrs. Felix Matula, Sr. was honored on her 84th birthday Sunday by her children, grandchildren and great grandchildren.

A special dinner and supper were served to comemorate the event. About 35 friends and relatives attended.

Your Serviceman

USS KRETCHMER

Gunners Mate First Class Charles R. Hairston, USN, son of Mr. Allen J. Hairston of Rt. 2, Rockdale, has returned to Guam, Marianas Island, aboard the radar picket ship USS Kretchmer, after completing a nine month tour of duty off the coast of South Vietnam.

While on the deployment Kretchmer's primary mission was to serve as an offshore unit of "Operation Market Time" to stop possible infiltration of enemy supplies into South Vietnam.

CONSUMER EDUCATION WEEK — Milam County Judge O. B. Harden officially designates the week of November 6-10 as Consumer Education Week in Texas to formalize Extension Services' role as a continuing source of consumer information in Texas. Members of the Milam County Family Living Committee, Mrs. Ira Terrell of Branchville, Mrs. R. L. Humber, Branchville; Mrs. Clyde Holliman, Rockdale; Mrs. Wavy Charles, Tracy; and Mrs. Don Humble, Cameron, look on as Judge O. B. Harden signs the proclamation.

Savings Bonds Sales Reach 85% Of Goal

According to a report received from Henry Siebman, chairman of Milam County Savings Bonds Committee, September sales of United States Savings Bonds in the county totaled $42,184. The January - Sept. 1967 sales in this county totaled $516,999 and this is 85 percent of the 1967 goal of $610,000.

Sales in Texas for the first nine months of 1967 totaled $124,317,427. The 1967 goal for Texas is $181.3 million and 69 percent of the goal has been achieved.

CTIDC To Meet In 4th Conclave At Baylor, Waco

The fourth annual conference of the Central Texas Industrial Development Council is scheduled to begin 9 a.m. Tuesday, November 17, at Baylor University, Waco.

James J. Kelly, assistant executive director of Texas Industrial Commission, will preside at the Hankamer School of Business center.

The Program includes talks on industrial sites and districts, airport sites, railroad industrial property, prefab and speculative buildings. A general discussion will follow lunch at 1:30 p.m. and will be led by Harry C. Clark, executive director of TIC.

State Sen. Murray Watson, CTIDC president, will open the day-long meeting.

Crayfish in Madagascar grow nearly 10 inches long.

TVSO President Urges Support For Amend. 3

Marvin Petty, Veterans' County Service Officer and president of Texas Veterans Service officers, urges people of this area to support and vote for Amendment No. 3 November 11.

The amendment proposes to revive the Veterans' Land Program.

He says that the program has not only benefited the State of Texas, but it has greatly helped the economy of the area.

"There have been 232 veterans who have purchased 25,679 acres of land in Milam County for $1,595,930.00. This program has been highly successful and has given Texas veterans a chance to own a tract of land that they fought to protect," Petty says.

It is a program that is not only self-supporting but is making a profit for taxpayers and people of Texas.

"It is boosting the economy of the state, something that we all want," he points out.

Petty says every individual in the State of Texas is benefited and affected by the Veterans' Land Program. And many veterans daily are asking to purchase land through the program. If the vote November 11 is favorable, the Veterans' Land Program will continue to purchase land.

Land Commissioner Jerry Sadler says a new program will operate on a current basis so that veterans will not have to wait to receive their contracts and necessary papers to purchase land through the program. The loan limit would be increased to $10,000 from $7,500, with a 5 percent payment required, Petty says, quoting Sadler.

The amendment is not a tax raising measure, but provides cash through the sale of bonds at 4½ percent interest.

"The veterans of Vietnam will be included in this program and veterans who have lived in Texas for five years will be eligible to purchase land," Petty says.

Student Honored At U-Texas Honors Day

James Hollas of Cameron was among scholarship students honored Monday at a University of Texas Journalism Honors Day observance.

Hollas is studying under the M. S. (Doc) Sellers Scholarship. He is the son of Mr. and Mrs. Emil Hollas.

TEL CLASS HAS LUNCH, MEETING

The T.E.L. Sunday School class of the First Baptist Church met with the teacher, Mrs. Fanning, October 25. Nine members and four visitors attended.

Holcombe Named Inspector For Co. Health Dept.

Roderick (Roddy) Holcombe was employed as Sanitation Inspector with the Milam County Health Department effective October 16.

Holcombe is a 1963 graduate of Lexington High School and attended Blinn College. He received a B.S. degree from Sam Houston State College where he was a member of Delta Tau Alpha honor society.

He completed special training for the health and sanitation post in Austin.

Holcombe said he would be available for sanitation problems anyplace in the county. His work will include advising on treatment and testing of wells, inspection of tourist facilities and food centers such as slaughter houses, groceries, and restaurants.

He said he planned to ask the county commissioners to require health certificates, including typhoid skin tests, for all food workers.

Domino Tourney To Decide Milam Champ

The second annual county championship domino tournament will begin at the Rockdale Country Club on Tuesday, Nov. 7 open to all residents of the county.

T. A. Weems will again serve as director, and said that the tournament will last five or six weeks, depending on the number of entries. The rounds will be played one night each week, beginning with the Nov. 7 event at 7:30 p.m.

Weems said that the tourney has been changed from an elimination affair. "This year, every team will play every night," he said.

Teams may consist of two or three players, Weems said. The team-of-three allowance is for the benefit of shift workers who might not be able to attend every session.

Entry fee will be $1 per person. Entries may be mailed to Weems, Box 503, Rockdale or may be given to either Weems at Lewis-Bredt Company or Clifford Sims at the country club.

About 60 entries from all over Milam County took part in the 1966 event.

PERSONAL MENTION . . . . .

Mr. and Mrs. Larry Smith have recently moved to their new residence at 902 East 8th.

Mr. and Mrs. Thomas Sheguit and sons, Patrick and Mark Anthony, attended the Texas-Rice football game at Austin Saturday.

Navy Engineman 2c Harold Malone, son of Mr. and Mrs. Acie Malone of Milano, is serving with the Inshore Undersea Warfare Group One at Nha Trang, Vietnam. The unit is part of the protective screen for merchant ships unloading vital cargoes at key ports.

Rogers

The huge crowd of people who attended the annual Rogers Parent-Teacher Association carnival at the Rogers public school campus Saturday night joined in the acclaim that "this is one of the best carnivals we have ever had". Perfect weather on Saturday evening gave the needed spark to the week of preparations that had been made for the gala occasion.

In the coronation contest, the following queens and kings were crowned for their respective divisions: high school queen and king, Patricia Geistman and Curtis Schneider, seniors; junior high, Diane Lee Psencik and Danny Reese, eighth grade; intermediate winners were Deborah Gerza and Kevin Schneider from Mrs. B. F. Harbour's fifth grade; primary division winners were Kathy Daniel and Mark Barron from Mrs. Edith Starnes' second grade.

Mrs. Darrell Henson and Mrs. Floyd Frits were general managers of the carnival. Bubba Hill was MC for the coronation, J. H. Merka and a large crew of men barbecued 850 chickens, Darwin Schwertner was buyer, B. F. Harbour, publicity; Mrs. Darrell Young, foods; Mrs. George Richards, PTA concession stand; and J. L. Chervenka, ticket manager.

Administrators and coaches of Central Texas high schools that are members of the new football District 22-A met in the Rogers school cafetorium Tuesday night to organize for 1968. Supt. B. F. Harbour and Principal J. L. Chervenka of Rogers were elected chairman and secretary respectively.

Rogers and Troy high schools were taken out of the old District 24-A to make room for Leander and Pflugerville High schools. District 22-A is composed of the high schools of Bremond, Franklin, Leon at Jewett, Moody, Rogers, Rosebud and Troy.

With an odd number of schools, district play will begin Oct. 4, 1963 and will end Nov. 15, with each school having a bye each week. Rogers will open district play in 1968 by playing Rosebud there Oct. 4.

The Executive Committee worked out details of district play concerning the selection of SPOA officials, type of ball to be used, fees, the selection of an all-district team, trophy, pre-game ceremonies time schedule, number of passes, contracts, and jersey colors.

For the two school years 1968-70 members of the University Interscholastic League with an average enrollment of from 115 to 225 for the past two school years have been placed in conference A. Districts have from five to eight schools in each district.

MEDICAL CAREERS CLUB

Arthur B. Fowler, personnel manager for Scott and White Clinic in Temple, was the guest speaker at Rogers High Tuesday morning for the Rogers Medical Careers Club which met in the cafetorium. Mr. Fowler's subject was the "Personal Job Interview".

There were 47 members present, headed by David Synatzske, president. Members of the RHS National Honor Society were guests for this special program.

Sponsors present were Mrs. Hanes Brindley from the Bell County Medical Auxiliary and Mrs. Janice Jackson, Rogers school nurse.

Mr. and Mrs. Larry Harbour, formerly of Rogers, have moved from Los Angeles to Dallas this week where Harbour has accepted employment with the Thriftown Company. He had been employed by Humble Oil and Refining Co. and stationed in Los Angeles the past three years.

Harbour is the son of Mr. and Mrs. B. F. Harbour of Rogers, and Mrs. Harbour is the daughter of Mr. and Mrs. J. H. Merka of Rogers. Both are graduates of Rogers High School and of Baylor University.

CARD OF THANKS

We would like to thank everyone who showed their sympathy and kindness to us at the death of our loved one. We especially thank Mr. and Mrs. John S. Baite, Mr. and Mrs. Charlie Friemel, Mr. and Mrs. Pat Sanders, all three of the doctors and the entire nursing staff of Newton Hospital. We are truly grateful to each of you.

The family of David P. Smith

Mrs. Ralph Poteet is shown enjoying cooking on her electric range in her Gold Medallion Home in Mesquite.

You don't have to live in a Gold Medallion Home to ENJOY ELECTRIC COOKING*

*...but it helps

The kitchen is the heart of the modern home . . . and the electric range is the heart of the modern kitchen.

If you are about to replace your present range, remodel your kitchen, or build a new home, talk to homemakers like Mrs. Ralph Poteet of Mesquite and learn first-hand of the many advantages of electric cooking.

You'll find that electric cooking is *cool* cooking . . . heat doesn't spill out into the room. It's *clean* . . . pots, pans, walls and curtains stay "white-glove" clean. It's *automatic* . . . simply set and forget it. It's *economical* . . . costs only about $2.25 a month for a family of four.

If you put your heart in your cooking . . . you'll love an electric range.

Electric cooking is only one of the enjoyable features of living in an all-electric Gold Medallion Home. When Mr. and Mrs. Ralph Poteet of Mesquite recently modernized their home to include an all-electric kitchen, laundry, water heater, ample lighting and air conditioning . . . their home also became the

Planning their wedding for December 23 at the Somerville Methodist Church at 8 p.m. are Miss Zana Bassler of Somerville and Daniel James Kubiak of Rockkdale. Parents of the engaged couple are Mr. and Mrs. Earl Bassler of Somerville and Mr. and Mrs. John T. Kubiak of Rockdale. Miss Bassler attended Blinn College and is a graduate of Sam Houston State College. The future groom is a graduate of Blinn College, The University of Texas, Midwestern University, Georgetown University and is currently teaching and doing post graduate work at The University of Houston. Mr. Kubiak is the author of the recent book, "Ten Tall Texans".

World Community Day Services Set

World Community Day will be observed with a service of prayer at 2 p.m. Friday in the First Presbyterian Church. Area church women have been invited to the special service sponsored by Church Women United of Cameron.

Theme for World Community Day this year is "Who Shall Separate Us?" Mrs. W. O. Triggs will give the devotional and Mrs. Tommy Corley will present special music for the service.

Mrs. J. E. Johnson, chairman of the World Community Day for Cameron, announced that a nursery would be provided for small children.

World Community Day was established to focus attention on Christian needs around the world. Circles in the First Methodist Church and First Presbyterian Church have bought gift certificates in preparation for the prayer service which will be used for clothing, books and food in Asia, Africa and South America. The offering Friday will also be used for work with children.

Preface for the service theme is a statement by Chester Bowles in which he points out that although we are one of the most literate nations on earth, scarcely one American in a hundred has more than a rudimentary knowledge of the history of Asia, Africa and South America, where the bulk of mankind lives and where the shape of the future may largely be decided.

Mr. and Mrs. Herbert Thweatt of Austin spent Saturday night with his mother, Mrs. Herbert Thweatt.

Your Serviceman

USS PROCYON

Machinist Mate First Class Bonnie L. Cole, USN, son of Mr. and Mrs. V. J. Cole of Rt. 3, Cameron, has returned to the U.S. after a four and a half month deployment off the coast of Veitnam aboard the store ship USS Procyon.

Serving with the U.S. Seventh Fleet Procyon supplied U.S. warships and bases along the coast of Vietnam. The ship's mission was to replenish the fleet's ships in any location at sea so that they could remain on station.

Mr. and Mrs. Malcom Marion and children of Seguin were visitors at church Sunday morniag. They were visiting her parents, Mr. and Mrs. E. B. Yager.

Mr. and Mrs. Roy Patzke and boys spent Sunday with Mrs. Roy Weems.

Mr. and Mrs. Landry of Calvert and Mr. and Mrs. Hope Jamison visited Mr. and Mrs. Elvin Harwell Sunday afternoon.

MRS. HORSTMANN HOSTS MEETING FOR STUDY CLUB

The Pleasure and Profit Club met in the home of Mrs. Lane Horstmann October 26. Mrs. Milton Schiller reviewed "The Texas Cook Book" by Mary Faulk Koock, who is the owner and manager of Green Pastures in Austin. This is a book of not only menus and recipes but stories of the many dinners given throughout our state.

For the social hour the dining table was centered with a beautiful fall arrangement of fruit spilling from a cornucopia. Cake, punch and coffee were served to 13 members.

Mrs. C. Titsworth will be hostess for the meeting to be held November 9.

History Club Topic Is 'Changing World'

The regular meeting of the Cameron History Club met in the home of Mrs. W. C. Wallace on October 24 with 15 members present.

Mrs. John Rosson, program chairman for the afternoon gave a paper on "Changing World of Environment."

The dining table was centered with beautiful yellow marigolds and Halloween decorations were noted throughout the house. The hostess served refreshments assisted by Mrs. Mary Lawrence and Mrs. E. A. Perrin.

Brazil spreads over nearly half of South America, and it borders every nation on the continent except Chile and Ecuador.

Despite its reputation, the octopus is not a deadly menace to swimmers.

BIRTHS

CAMERON, TEXAS

The Sneeze Season Is Here

With about a million Americans coming down with a cold every day, particularly during these winter months, the chances are good you may be the next victim of the nation's number one disease.

In itself, a cold is not serious, if it's not neglected. Man, after all, has been getting colds—and recovering from them—for millennia.

But medical science has not yet found a cure for the cold. There's only relief and protection from complications.

So one first step that is recommended, is to seek your pharmacist's advice for a proven preparation which will provide relief if taken at the first sign of symptoms. If the symptoms seem unusually severe, a physician should be consulted.

For all cold remedies and prescriptions

4-H CLUB ACTIVITIES

Rosemary Ehler

Sherry Zarosky

Rosemary Ehler's Home Improvement record book received a Red classification in August at the District record judging.

Rosemary is the daughter of Mr. and Mrs. Frankie Ehler of Rt. 1, Cameron. She has just completed her first year in 4-H Club work and is an active member of the St. Anthony 4-H Club.

For this first year, Rosemary has carried five projects: Home Improvement, Child Care, Horticulture, Swine, and Food Preservation.

In her Home Improvement project she helped varnish her bedroom floor, rearranging the furniture improve drawer and closet space and decorate her room with various accessories she learned to make.

Rosemary has been active in her local club. She participated in the summer activities, helped with bake sales, attended the county 4-H Camp, the record book workshop and has made field trips to the State Fair and various other places.

At the county Awards Banquet in November, she will receive the Home Improvement Award.

Sherry Zarosky, Home Improvement winner, is the daughter of Mr. and Mrs. Matt Zarosky, Jr., of Cameron. Sherry is 11 years of age and has just completed her first year as a member of the St. Anthony 4-H Club.

Sherry has carried projects of Home Improvement, Home Management, and Clothing. Most of her work has been done in Home Improvement. She refinished the walls and woodwork in her bedroom, improved her storage and drawer space, added a rug and other accessories to her room.

She has also given a demonstration on Home Improvement to her local project group. Sherry has participated in her local club's summer activities and the County 4-H Council Christmas Party and County 4-H Camp. She is treasurer of her club.

Sherry is very interested in clothing and plans to do more in this area in the coming year.

Rules Set For Pecan Show

At a recent meeting of the county Pecan and Food Show committee, the following rules were set up:

1. Entries will be limited to Milam County.

2. Exhibitors may enter as many classes as they wish but are limited to one entry per class.

3. All entries should be at the Dusek (old ASCS) building in Cameron by 9 a.m., Nov. 18, and remain in place until 4 p.m. It is recommended that all entries be brought to the county agent's office before Friday, Nov. 17, to facilitate entering the entries on an official tabulation sheet. This will speed up the work assignment.

4. All pecan entries should be entered in plastic bags with name of grower and variety attached.

5. Pecan entries will consist of one quart of pecans. However, due to the short crop, a grower with only a few pecans may enter as many as 20 to 30 pecans for an entry.

6. Where families have only a few pecans, they may pick up their entries after the show provided they do so by 4 p.m. the day of the show. If an entry is to be picked up, a note so stating this should be included with the entry.

7. Pecans exhibited must be from the 1967 crop.

8. Pecans must have been grown by person or family exhibiting them.

9. Blue ribbon entries may be entered in the Regional Show.

Mr. and Mrs. Herbert Thweatt of Austin spent Saturday night with his mother, Mrs. Herbert Thweatt.

HD Agent's Notes

By Christine Laws

'Hats Off to Consumers' is the theme this year for Consumer Education Week. November 6-10 has been designated Consumer Education Week in Texas.

Milam County Judge O. B. Harden signed a proclamation designating the week of Nov. 6-10 as Consumer Education Week to formalize the extension service's role as a continuing source of consumer information in Texas. Purpose of the week is to call attention to the educational information available from the county extension office. It is a national observance.

STRETCH THE BUDGET

One of the best ways to stretch the budget is to buy wisely. In fact, the wise buying of food alone can save hundreds of dollars per year for the average family.

Make a careful plan for spending. The consumer should know in advance what he wants to buy and should limit impulse buying drastically. A wealth of information on almost any subject is available to the purchaser in the form of consumer ads, service booklets, business - sponsored publications and government bulletins. This information can help a buyer decide on the kinds of things he wants without the influence of the seller.

A consumer should be alert to price but also should recognize substantial variations in quality. A low price may lead to a poor purchase if quality is inferior; when a purchase lasts longer, so does your money. Buyers should be familiar with recognized standards of quality. In most instances, labels provide a great deal of information which can help a buyer make a wise purchase.

Choose the right time and place to shop. Sales and bargains are bargains only if they offer you the chance to get something you want for less than original cost. Buying something which is not needed just because it is a bargain doesn't help the family budget. After purchasing an item, care for it. Proper maintenance means fewer replacements and longer time periods between purchases.

Gause News

By Mrs. Wanda Lee

Mrs. Roy Crouch and Mrs. Bobbie Faulkner went to Houston last weekend and visited with Mr. and Mrs. O. J. Morgan, Shelley, Wynell, Larry, Mr. and Mrs. G. O. Cox Irene and Marvin, Mr. and Mrs. L. G. Cox and Gregory II. Bobbie visited with Mrs. A. R. Kingsley who was a patient in St. Luke's Hospital. Mrs. Kingsley has since returned to her home here.

Visitors with Mrs. Ira Denman last week were Mrs. Louise Edwards and daughter, GeNeal of Houston Mrs. F. B. Burks of Milano and Mr. and Mrs. Michael Whitley, Mr. and Mrs. Charles Denman and Mrs. W. C. Shelander, all of Minerva.

Sows - all classes	14.00	16.00

County Agent's Notes . . .

Pests At Work

By J. D. Moore

A number of requests have come to the County Agent for information concerning the cause of the ends of small limbs being cut from pecan as well as other trees.

This is done by the twig girdler and is a part of their life cycle. The adult is a grayish-brown beetle one-half to five-eighths inch long, with a broad gray band over the middle of the wing covers. Its head is reddish brown and bears a pair of long antennae which extend beyond the abdomen on the male.

The female systematically girdles limbs after depositing their eggs in the cut-off limb that falls to the ground where the insect over-winters as a partially grown larva since this larva is unable to develop in healthy sapwood.

In the following spring, the larva completes development, pupate and emerge as adults in the late summer and fall. There is one generation annually, although some individuals require 2 years to mature.

Infestation may be reduced by removing girdled branches from the trees and the ground and burning them -- chemical control is also effective. The trees should be sprayed with 2 tablespoons of D. D.T., Sevin, Malathion or Toxaphene, per gallon of water when the first injured branches are observed in late August or early September. Two or three applications at 2 week intervals may be required for the most effective control. Most of the damage has occurred by now.

• Clarkson

By Mrs. J. A. Blasienz

Mr. and Mrs. Edward Svoboda attended the birthday celebration of her uncle, Adolph Jurca in Buckholts recently.

Mrs. Joe Hauk and Mrs. V. D. Dodd visited friends and relatives in Bryan last weekend. On Sunday Mrs. Hauk, Mr. and Mrs. Paul Hauk, Mrs. Ann Gowing, and Bobby Garrett visited Mr. and Mrs. Johnnie Joe Hauk and children in New Braunfels.

Mrs. Amos Doskocil has returned home after visiting her daughter and family, Mr. and Mrs. Bruno Kaulfus in Colorado City. She was accompanied home by Mrs. Kaulfus and son who visited in her home and with relatives in Rosebud.

Mrs. J. A. Blasienz visited Mrs. L. L. Chapman in Rosebud Saturday afternoon.

Mr. and Mrs. Jackie McCollum and daughter Melissa of Houston spent the weekend with her parents Mr. and Mrs. George Dodd, Lonnie Ricky and Karen. They all attended church in Cameron Sunday.

Mr. and Mrs. Nelson Kohring and daughter Paula of Irving were guests of his parents, Mr. and Mrs. Alfred Kohring the past weekend.

• Jones Prairie

By Mrs. Bill Thweatt

Rev. and Mrs. Ben Curtis entertained the young people with a Halloween party at the Sunday School annex Saturday night. There was a weiner roast with refresnments and games enjoyed by all.

Mrs. Bill Thweatt and Mrs. Walter Senkel visited Mr. and Mrs. Alex Henderson in Ben Arnold on Saturday afternoon.

Mrs. Bill Tucker is visiting her mother, Mrs. Lorance Story in San Antonio.

Mr. and Mrs. Malcom Marion and children of Seguin were visitors at church Sunday morning. They were visiting her parents, Mr. and Mrs. E. B. Yager.

Mr. and Mrs. Roy Patzke and boys spent Sunday with Mrs. Roy Weems.

Mr. and Mrs. Landry of Calvert and Mr. and Mrs. Hope Jamison visited Mr. and Mrs. Elvin Harwell Sunday afternoon.

San Gabriel News

By Mrs. H. H. Linke

Mr. and Mrs. Billy Joe McDaniel and children of Houston spent the past week with his parents, Mr. and Mrs. Walter McDaniel. Sunday they all went to San Marcos to visit Mrs. Roberta Hughson.

Overnight guests Saturday of Mr. and Mrs. Jim Stewart were Mr. and Mrs. Billy Davis of Houston.

Rev. and Mrs. Melvin Zornes attended the Southern Baptist Convention in Lubbock from Tuesday through Thursday.

Young Paul Alan Mithcell, three-month-old son of Mr. and Mrs. Paul Mitchell, was honored with a baby shower Thursday afternoon at the home of his grandparents, Mr. and Mrs. Buck Garner. Mr. and Mrs. Mitchell and son left Sunday for his new assignment in Maryland.

Mr. and Mrs. Sterling Miller and son Scott visited their parents and grandparents, Mr. and Mrs. Hugo Linke over the weekend.

Mrs. F. W. Worley, Mr. and Mrs. Jim Stewart, and Mrs. Joe Henry spent Sunday in Troy with the H. D. Kay family. They were joined there by Mr. and Mrs. F. P. Cherry and family of New Waverley.

Nelson Linke of Houston spent Sunday with his mother, Mrs. Emily Linke.

Mrs. Andrew Garner spent the past two weeks in Dallas and Fort Worth visiting with those of her children who live there.

Weekend guests of Mrs. Bill Clark were her son and family, Mr. and Mrs. Gus Clark and son, John. Spending Sunday with them were Mrs. Gladys Stigall and Bob of Austin.

Mr. and Mrs. Buddy Limmer attended the 40th wedding anniversary celebration for Mr. and Mrs. Fred Zapalac of Taylor Sunday afternoon.

Mrs. Thelma Zornes of Austin visited her son and family, Rev. Melvin Zornes Sunday afternoon.

Weekend guests of Mr. and Mrs. W. H. Camp were Mr. and Mrs. Jim Wilson and children of Houston and Mr. and Mrs. Pat Donohue and family of El Paso.

• Sharp

By Mrs. Willie Schwarz

The Presbyterians are changing services to the 12th of November, when a Jewish rabbi will deliver the morning message. A basket lunch will be served at the noon hour and he will speak again after lunch.

Mrs. E. J. Rinn, Elmer and Miss Norma attended the funeral of a brother and uncle, Herman Persky of Holland Thursday afternoon.

Mr. and Mrs. Sid Fraiser of Fort Worth spent Saturday night with Mrs. E. J. Rinn and family.

Mrs. Artie Baskin, Mrs. Clara Baskin, of Cameron, Mr. and Mrs. Dan Jenkins and son of Minerva, Mrs. Gertie Hargrove, Mrs. Jane Ross and daughter Brenda of Rockdale were dinner guests in the Hargrove home. Mrs. Cora Williams of San Antonio has been visiting in the Hargorve home and returned home Monday.

Mrs. Marie Brown is visiting Mr. and Mrs. Leonard Brown of San Antonio.

Lewis Modesette spest Saturday night in Austin with Carroll and Mollie Modesette and daughter, Dannette.

Mr. and Mrs. Martin West of Fort Worth spent Sunday and Monday with Mr. and Mrs. R. F. Lindhorst.

Mr. and Mrs. Ray Green visited with the Dick Dittmars Sunday afternoon. They also visited Mrs. Woody Modesette at the Boswell Rest Home.

Mrs. Nelson Davis attended an area meeting for In Service Homemaking teachers held in Waco on Saturday.

Reed Davis of Sam Houston State, Huntsville, was home for the weekend.

Mr. and Mrs. Bill Brown and boys of Belton visited Sunday in the homes of Mrs. Marie Brown

Mrs. Lucy Caffey of Fort Worth has been visiting relatives in Rockdale. Mr. and Mrs. Lenza Caffey and Mr. and Mrs. Charles Duncan accompanied her home last Thursday.

Clyde Caffey of Austin was home for the weekend.

Mr. and Mrs. Dan Drummond were in Houston over the weekend.

Mrs. Annie and Mrs. Willie Schwarz and Mrs. Mabel Charles spent Sunday afternoon with Mrs. Iva Moore and Miss Effie Lou Modesette in Bartlett.

The Sunday night rain amounted to about 2 to 3 inches.

Maysfield

By Mrs. J. P. Wise

Mrs. Jack Buck of Corpus Christi and her mother, Mrs. H. W. Massengale of Cameron visited Mr. and Mrs. Leroy Massengale Sunday and attended services at the local Presbyterian Church.

Rev. R. Y. Russell of Calvert, who has been pastor of the Presbyterian church for the last 18 months preached his last time at the Maysfield Presbyterian Church Sunday. Rev. and Mrs. Russell have endeared themselves to the community and we regret to see them leave. They were honored with a community gathering at the school cafeteria Sunday. Dinner was served to approximately sixty people.

Mrs. Fred Jackson is visiting her son, Fred and family at Beaumont.

Danny and Larry Thweatt of Huntsville were home last week end.

Mr. and Mrs. Malcom Marion and children of Seguin visited her parents, Mr. and Mrs. E. B. Yager Sunday.

Mrs. Belle Tyson is visiting her daughter and family, the Clarence Dodds in Austin.

Mrs. Billy Barton and Mrs. Charles Tabor of Austin visited their mother, Mrs. Eldred Massengale Saturday.

Mr. and Mrs. J. P. Wise visited Mr. and Mrs. Alexander Henderson at Ben Arnold Sunday afternoon.

Weekend guests of Mrs. Vina White were Mrs. Doris Gleason of Freeport and Mr. and Mrs. Tommy Gleason and children of Houston.

Mr. H. H. Hartsfield celebrated his 85th birthday Sunday at the Ottis Gooch home. A number of his friends stopped in to wish him a happy birthday.

You can cook a 3-minute egg faster with gas than with electricity.

Here's why. With a modern gas range there's no slow warm-up period. You turn the burner on and get the desired amount of heat — *instantly!* Burner-with-a-Brain holds that precise temperature until cooking is done. No waiting, no watching, no wondering with flame fast gas. You can see the flame go to work the instant you turn the burner on.

(Of course, faster cooking means less gas used and more economy for you!) Only modern gas cooking gives you this much control, flexibility and speed. See the wide variety of modern gas ranges at your local gas appliance dealer or LONE STAR GAS.

2 come to the fall gas range fair

Entered as second-class matter at the Post Office in Cameron, Texas, under the Act of Congress of March 1, 1879. Published every Thursday.

Constitution Vote Nov. 11

Milam voters will be among some few hundred thousand who will go to the polls Saturday, November 11, to vote on amendments proposed for the Texas Constitution.

At presstime, there were no absentee ballots cast in the County Clerk's office in Milam Courthouse. It would be safe to say that 90 percent of the people eligible to vote November 11 had not even considered the question.

Though The Herald believes the Texas Constitution is outmoded if only by its verbiage, we believe as well that voters should take serious interest in a Constitution election.

That is why we are running an analysis provided by the Texas Industrial Conference through Texas Press Association.

The time will come when the bi-ennial sport of adding amendments to the Texas Constitution will be recognized for its inherent and unworkable prolificacy But until that time, people ought to study the additions.

It is never as interesting as elections involving candidates and controversy. But the scope of what those candidates and their controversies is established by our Texas Constitution.

While we think it best be rewritten, we suggest voters consider the impact of the six amendments proposed for the Constitution's lengthening.

We might remember that absentee balloting ends three days prior to the November 11 election and that polls will be announced and open that day for voters able to go to voting boxes.

What Others Say . . .

If Only Ho Would Speak

The guessing game about what goes on in President Ho Chi Minh's mind gets more complicated every week. The latest contribution comes from Mr. Humphry Berkeley in (The) Times. Mr. Berkeley says that U Thant told him recently that he could "'guarantee" that the North Vietnamese would agree to negotiate with the Americans within three or four weeks if the Americans stopped bombing them. That word 'guarantee' goes beyond anything the United Nations Secretary-General has said in public. U Thant has never claimed more than that he himself is "convinced" that things would turn out that way. Which is different. It is, in any case, curious that Ho Chi Minn's intentions should have to be interpreted through what Mr. Berkeley says U Thant says the North Vietnamese say.

The confusion that hearsay evidence can lead to was illustrated by what happened to India's defence minister. . . Mr. Swaran Singh told the UN General Assembly on October 6th that he believed the end of the bombing would follow not only by negotiations but also by a "cessation of all hostilities." For a moment it looked as if Mr. Singh was on to something important . . . But two days later his own prime minister, Mrs. Gandhi, was obliged to say in Moscow that Mr. Singh's statement was merely "an opinion," and that she herself thought that no one could say anything so positive.

It would be much simpler if North Vietnam's leaders would confirm or deny the ideas that other people attribute to them; but they don't. Until they do, the secondhand hints that emerge from Hanoi could be either a spark of hope for negotiations or a wrecker's beacon...

There are two unanswered questions-unanswered, that is by the North Vietnamese themselves. The first is whether President Ho is interested in negotiations at all, even if the bombing is stopped. He may rather keep on fighting until he knows, next November, who the next American president is going to be; or at least until he knows whom the Republicans are going to put up against Mr. Johnson . . .

The second question is what they would do on the battlefield if talks did start. The North Vietnamese cannot reasonably be expected to withdraw their own troops from the south, or to stop supplying them. President Johnson made it clear as long ago as February that he understood that. But it is just as unreasonable to expect the Americans to let negotiations drag inconclusively on for a year or more—as they did in Korea—while the North Vietnamese assemble and equip a new army and push it into the south along routes freed from the danger of air attack . . . .

These are fair questions. Until somebody answers them, with authority, it will be hard to believe in those nods and winks from Hanoi.

Registration Rules Aired

By Vern Sanford

AUSTIN

Voter registration for the big 1968 election year is getting into full swing. Secretary of State John L. Hill already is busy sending out detailed instructions for county tax assessors.

As chief election officer, Hill discussed current problems with an advisory committee of tax officials (who are local registrars) and reviewed suggested ground rules.

He remains firm in his agreement with an attorney general's opinion that voters must bring or mail in their own registration applications or submit them through authorized members of their immediate family.

Bloc or bulk registrations are outlawed by an October 11 opinion. It brought critical comment from former State Sen. Franklin Spears, head of a liberal-backed drive to register five million voters.

Hill encourages house-to-house registration drives and says there is no restriction on the manner or the extent of distributing application forms. He is advising local registrars that:

—There is no limit on reproduction of sample registration forms by third parties or purchase of those ordered by official registrars.

—Solicitors may encourage individuals to register but must avoid inducing registration through false or misleading representation.

—Assistance to the applicant is all right (including filling out forms), but the voter must supply the necessary information himself and sign the form or place his mark on it.

—Drives may furnish envelopes and even stamps to voters, but the applicant or family members must mail the form.

—Local registrars should provide blank, sample forms to all who request them, but each registrar may fix his own policies as to furnishing forms in large quantities to solicitors.

Spears has called on registrars to ignore the attorney general's opinion, and accept applications delivered by third party solicitors in bulk, or a group of applications sent in the same envelope. Spears claims the opinion is the result of a "plot" to keep the registrations low.

COURTS SPEAK

Texas Supreme Court heard Sun Oil Company arguments for the right to use fresh water from the Ogallala formation, for oil well flooding purposes on the Hockley County lease. Lower courts have denied the Sun suit. A landowner and High Plains Underground Water Conservation District No. 1 contend that use of the water would dangerously deplete irrigation supplies.

Houston finance company seeks a ruling from the Austin district court as to its rights under the Texas Regulatory Loan Act to buy discounted home improvement notes from contractors. State Consumer Credit Commissioner Frank Miskell was named defendant.

Supreme Court knocked out contempt of court citations against three in a Denton County dispute over a 30-foot strip of land because the district judge failed to follow procedural rules limiting duration of temporary restraining orders.

State obtained a $34,952 judgment against a Dallas man by consolidating five cases involving slant hole oilwell drilling in Gregg, Wood and Rusk counties.

Court of Criminal Appeals divided 3-2 in upholding a Harrison County death penalty murder conviction, with the majority finding the condemned man had adequate warning of his constitutional rights six days before he confessed to the crime.

PREMIUM CUT

State Board of Insurance has approved a 4.2 percent cut in workmen's compensation insurance premiums effective December 1. Slash which is based on premium and loss statistics, should mean a $7,000,000 reduction in 1968.

Board Chairman Hunter McLean said cuts in insurance company expenses and fewer accidents made savings possible, despite rising medical costs and incomes. He said this emphasizes the importance of accident prevention programs.

Reductions by major classes included: All combined, 4.2 percent; manufacturing classes, 3.4 percent; contracting, 5.1 percent; oil, 4.2 percent; and all other classes, 4 percent.

ATTORNEY GENERAL RULES

Attorney General Martin clarified the state's complex, mandatory retirement provisions for Texas judges, as set forth in the constitution, with a new lengthy opinion. (M-152).

In another ruling, Martin concluded that the Texas Department of Mental Health and Mental Retardation has the duty and authority to provide necessary medical treatment or services to persons admitted or committed to its institutions, without obtaining consent from relatives or guardians.

SCREWWORM INCREASE

Hurricane Beulah may have stirred an outbreak of the dread screwworms in Texas cattle.

Southwest Animal Health Research Foundation reports 151 cases in 24 counties from South to West Texas. These are the most cases of the year and actually occurred in cooler weather when the problem usually declines. The screwworm fly is windblown.

Foundation President Dolph Briscoe Jr. of Uvalde said hurricane and floods posed an emergency situation in the screwworm eradication program. Foundation leaders are requesting the U. S. Department of Agriculture for additional funds to expand the screwworm sterilization program which faces the threat of a cutback due to recent federal spending ucts.

THE FAMILY LAWYER

Of Tips and Taxes

To the cab driver, the tips he collected were just friendly gestures by his grateful passengers. When the government tried to impose an income tax on this money, he protested:

"Tips are not income in that sense. They are merely gifts. After all, my passengers don't have to tip me if they don't want to. It is purely voluntary."

But a court held that the tips, even though voluntary, were indeed taxable income. The court pointed out that the tips were paid not as a matter of charity or personal affection but as an extra reward for work done.

How does the government decide whether money that you receive is a gift, hence non-taxable, or income, hence taxable? The main test is the intent with which it is given. It will not qualify as a gift if it is really a form of compensation for value received or expected.

Thus, a company's "wedding gift" to an employee was held to be taxable income. Reason: the surrounding circumstances showed that the money was actually a bonus for his long and loyal service to the firm.

This rule applies not only to money but also to merchandise. An executive had to pay income tax on an automobile given to him by a business friend for whom he had done valuable favors—and might again.

On the other hand, even though money is paid by a company to its own employee, it may still qualify as a gift, not income, if that is the company's true intent. For example:

A company gave checks to a number of its employees who had suffered personal losses in a tornado. Because these payments were geared to individual needs rather than to services rendered, they were held to be "gratuitous and spontaneous"—thus, true gifts.

In another case, after a pastor had retired because of ill health, his former congregation found out he was having financial difficulties. So they voted to send an annual contribution to help him out.

Later the government tried to collect income tax on this money. But a court declared it a non-taxable gift. The court said it was made "not to repay another what is his due but only because of personal regard."

J. A. Smith Attends GOP Task Force Meet In Austin

John A. Smith of Cameron was among a group of GOP task force members who attended a meeting in Austin during the weekend called by Republican State Chairman Peter O'Donnell to formulate policies and plans for the party's campaign next year.

Smith, who operates a large farm and ranch in East Milam County, is vice chairman of the Agriculture task force. Jim Campbell of Pampa is chairman.

Purpose of the two day meeting was for the task force members to submit proposals and drafts of position papers on which they have been working since last spring. When completed, these will be referred to the party for consideration and use in statewide and local election campaigns in 1968.

The eight GOP task forces, in addition to Agriculture, cover the fields of education, job opportunities and business expansion, human rights and responsibilities, modernization of state and local government, water and air pollution, crime and law enforcement, and economy and state revenue.

Letters to the Editor

Dear Editor,

As one of the many fortunate ex-members of Mr. Cox's band, let me say, "Many thanks to the citizens of Cameron for honoring a most deserving teacher!"

We were all afraid of him . . not from fear, but out of respect. We knew he meant business! Mr. Cox could look so terribly stern and yet when the occasion arose, a warm smile would quickly cover his face.

Many people thing band is not a necessary or worthwhile part of school curriculum. Personally speaking, the concepts I formed while under his direction have followed me through college and into the realm of being a parent and a teacher.

I am looking forward to my next visit back home to see the new Francis Cox Band Hall. When I read the newspaper article my mother, Mrs. Gale Jones, sent me, I felt I had to do something to express my feelings.

"Mr. Cox, you are the greatest!" Hello all my classmates, relatives and friends who still live in and around Cameron. I'd love to hear from you.

Sincerely,
Rosemary Jones Ide
Yoe High Graduate 1956
Rt. 1, Box 226A
Zillah, Washington 98953

P.S. I want to be a member of the Ex-Band Students' Association.

Sighting - In Day Set At Rockdale For Local Hunters

Rockdale Gun Club has scheduled a sighting-in day Sunday, November 5 at the Club's shooting range north of the Rockdale High School, and all hunters are invited to come out and sight in their rifles before the season opens. The range will be open from 2 to 5 p.m. Sunday, and the Club will furnish targets for sighting-in at 100 yards and 200 yards.

To help defray the range expenses, a fee of $1 will be charged to non-members of the Gun Club.

OLD PHILOSOPHEK

Dear editar:

This is entirely out of my field, like a Congressman's voting to economize in his own district, but in a completely idle moment the other day I was flipping through the pages of a newspaper a man handed me in Cameron the day before I think to get rid of me, and without realizing it got over into the woman's section and could not help noticing some of the current styles, which I understand are called mini-skirts.

Like Dean Rusk when asked a question on a delicate phase of Viet Nam diplomacy, I have no opinion on this matter, but I got to thinking. Surely, I said, while everybody knows women will wear whatever the designers decide they should up to a certain point, what I'd like to know is can they be hornswoggled into buying mini-rain coats to match their mini-skirts&

I'd no sooner thought of it than up jumped a fashion picture of a woman in a mini-rain coat.

What in the world do they do when it rains, I wondered, stay half-wet? The thing was getting more preposterous.

Then I looked again. You're not going to catch a fashion designer missing a sales area. The woman was wearing hip-boots.

The article under the picture explained what any clod - hopper should have guessed, the rain falls not only on the just and the unjust but on the bottom half as well as the top half, and a mini-rain coat calls, if you want to be in the height of fashion and not half-wet, for hip-boots to match.

It's pretty hard to out-smart a woman, unless you're a fashion designer.

Yours faithfully,
J.A.

Parallel lines always converge at the same point on the horizon. If we stand in the center of a highway, and look straight ahead, we discover that the lanes seem to disappear at one central point. The artist must deal with this curious fact when he paints a canvas. We call it perspective. It is the way our eyes see the picture. If we stand at a different position, the scene changes, and the vanishing point is moved to a new place on the horizon. By changing our position we change our perspective.

This is true of life. How we look at our afflictions and our troubles is very largely determined by our inner attitude. In a very real way our ideas about God will determine our perspective.

The Church can help you to place all areas of life in balance. Many people today are confused and disturbed because they see things in the wrong perspective. Visit your church this Sunday and see if the world doesn't look better next week!

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

For November 11 Election . . . .

Proposed Amendments Include Land Fund, Medical Payments

Editor's note: Six amendments to the Texas Constitution have been proposed and will be voted on November 11. Texas Industrial Conference of Dallas has published an analysis of these amendments to help voters understand the proposals. The Herald will publish two each week.

Proposition 3 on the Ballot

You will vote FOR or AGAINST: "the amendment to extend the Veterans' Land Program by authorizing the sale of bonds to increase the Veterans' Land Fund for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam, which amendment would amend Section 49-b, Article III of the Constitution of Texas, and provide for an additional $200,000,000 in bonds, such funds to be expended in accordance with instructions and requirements that may be provided by law."

This is the third time this amendment has been submitted to a vote. It was defeated in 1963 and again in 1965. The changes proposed this time are, in most instances, word for word the same as in the two previous elections.

The proposition is a detailed rewriting of Sec. 49-b of Article III of our Constitution. The major changes it would make are (1) to allow the sale of $2,200,000,000 more in bonds, (2), to increase the rate of interest, (3) to extend the life of the Veterans' Land Fund to an indefinite date, (4) to limit eligibility to the time of formal withdrawal of United States troops from the present armed conflict in Viet Nam, and (5) to include veterans who are now residents of the State but were not Texas citizens when they entered service.

The first provision in our Constitution for a Veterans' Land Fund was adopted in 1946. It authorized sale of $25,000,000 in bonds. In 1951 this was increased by $75,000,000 and in 1956 another $100,000,000 was approved. All of these bonds have been sold. The proposed amendment would allow issuance of another $200,000,000 for continuation of the program.

Originally the interest rate on these bonds was limited to 3 percent. In 1960 the maximum rate was increased to 3½ percent. This proposed amendment would not set any exact maximum but the true effective rate (which depends on the price bid for the bonds) could not exceed 4½ percent. The actual wording of the amendment at this point is "the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all bonds issued and sold in any installment of any bonds may not exceed four and one-half percent."

The Constitution now requires that after December 1, 1959 all money received from sale of lands and from interest on deferred payments under the first $100,000,000 of bonds must be set aside for their retirement. After there is enough to pay principal and interest, any additional money must be deposited to the credit of the State's General Revenue Fund, at the discretion of the Board but not later than the maturity date of the last maturing bonds. Similarly, money must be set aside for retirement of the second $100,000,000 in bonds after December 1, 1965 and any additional receipts paid into the General Revenue Fund.

The amendment would eliminate these provisions. This would not change the dates on which the bonds would be retired; but it would do away with the requirement that the Board must deposit any additional receipts resulting from operations under these bonds into the General Fund by a specific date.

Money from the sale of any series of the new bonds authorized by this amendment could be used for purchase of land during the period ending eight years after the date of sale of that particular series.

It is not clear, though, what would happen after enough money was set aside to take care of principal and interest on any series of bonds. The language is rather involved and at times appears to be contradictory. It may be construed as requiring transfer of any additional money into the General Revenue Fund as it is received. It might be held, on the other hand, that after principal and interest is paid on the $200,000,000 in bonds already issued and on new bonds authorized by this amendment, all other moeny received could be utilized as a revolving fund; and that this could go on until enough moeny was accumulated to retire fully the last bonds that might hereafter be issued and sold by the Board.

All new bonds authorized by the proposed amendment are required to be retired by Series (those sold by the Board hereafter in a single transaction as a single installment)

The amendment provides that the bonds shall be general obligations of the State of Texas and inserts a provision, now covered by statute, that if necessary to prevent default in payment of interest the Legislature shall appropriate a sufficient amount to repay them. The effect of providing for legislative appropriation is to make them unlimited tax bonds, which entitles them to a better rate on the bond market

Lands could be sold to veterans who served not less than 90 continuous days, unless sooner discharged by reason of service - connected disability, on active duty in the army, navy, air force, coast guard or marine corps of the United States between September 16, 1940 and the date of formal withdrawal of United States troops from the present armed conflict in Viet Nam This reference to Viet Nam is a limiting provision. The Constitution now allows the Legislature to decide the cut-off date for eligibility. The veteran would have to have been a bona fide resident of Texas at the time he entered service, or else have resided in the state at least five years prior to filing his application. He would have to have been a citizen of the United States and not have been dishonorably discharged from any of the armed forces named.

Responsibilities of the Veterans' Land Board would be increased by this proposal. When the program ends would depend largely on the Board's timing of the sale of bonds. It would undertake a new and quite different financial responsibility in determining how much interest rate any series of bonds should bear, and in arranging their repayment so that none would pay, on an average, more than 4½ percent.

New powers of the Board in connection with the subdivision of land resemble those of a real estate development business. These new powers would include authority (1) to construct roadways, (2) to pay the cost of surveying and monumenting the land and the tracts thereof, (3) to pay legal fees, recordation fees and advertising costs arising out of the purchase and sale of land and (4) to pay other like costs necessary or incidental to the purchase of such land. This expense would have to be added to the price when the land was sold or resold by the Board.

New legislation, to be effective if this amendment is adopted, would remove an existing requirement that notice of such sales must be given for four weeks in one or more newspapers of general circulation. It would also remove the existing preference rights of a person disabled by a service-connected disability sustained in combat, to purchase land within ninety days after it is placed on the market by the Board.

After land had first been offered for sale to veterans and not been sold, the Board could then sell to the general public in such quantities, and on such terms, and under such rules and regulations as might be provided by law. If a non-veteran became the purchaser, he would be treated in substantially the same manner as a veteran. The Board could make rules and regulations to govern such matters. These new and broader powers would impose upon the Board a heavier responsibility for diligence and judgment in steering a course which was dedicated solely to the needs of veterans.

The amendment would spell out qualifications of the two citizen members of the three man Board. One would have to be well-versed in veterans' affairs and the other well-versed in finance. The third member of the Board would continue to be the Commissioner of the General Land Office, and he would act both as Chairman and as Administrator of the Veterans' Land Program.

The proposed amendment describes itself as only a basic framework, and would grant the Legislature full power to implement and effectuate its design and objectives. It would permit the Legislature to delegate such duties, responsibilities, functions and authority to the Veterans' Land Board as it believed necessary. The Board could, if it was so authorized by the Legislature, promulgate regulations having the effect of law somewhat in the same manner as can various federal bureaus.

The Veterans' Land Fund, as originally adopted, contemplated a temporary program for assisting veterans to acquire land. The lack of a definite cut-off date in the new proposal marks a turn toward a more continuous program. The amount of bonds proposed—equal to the total amount approved in three different elections in the nineteen years since it was first adopted—is sufficient to cover greatly increased demands or to finance a long drawn out extension of the programs life.

Since 1946, when the Veterans' Land Program was adopted, more and more farmers have moved to the larger cities for better paying jobs. 143 counties lost population from 1950 to 1960. The state's industrial growth and its population gains have centered in its cities and larger towns. The small farm does not provide the satisfactory way of life it once did. Larger tracts of land and expensive machinery are necessary for profitable operation.

The new interest rate which the Board would set for these loans would become more important if land were bought for speculative purposes such as industrial growth or development of minerals, or if it were purchased in the larger tracts necessary for successful farming. An amendment to the law, to be effective if this constitutional amendment is adopted, would set the maximum interest rate to be charged veterans at 5½ percent. In today's market this is still a good interest rate but not nearly so advantageous as the present 4½ percent maximum.

Proposition 4 on the Ballot

You will vote FOR or AGAINST: "the Amendment to the Constitution authorizing each county in this state to pay the medical bills, doctor bills and hospital bills for all Sheriffs, Deputy Sheriffs, Constables, Deputy Constables and other county and precinct law enforcement officials who are injured in the course of their official duties; providing that the county shall continue to pay the maximum salary of these officials while they are incapacitated, but such salary payment shall not continue beyond the terms of office to which they were elected or appointed."

This proposition would "authorize" each county in the state to pay all medical expenses, all doctor bills, and all hospital bills for a Sheriff, Deputy Sheriff, Constable, Deputy Constable, and other county and precinct law enforcement officials who are injured in the course of their official duties. It would provide that counties "shall" pay the maximum salary of such an official while he is hospitalized or incapacitated as a result of such injury.

While this is a select group chosen for special treatment, it is not clear how far this coverage would extend. It is uncertain, for example whether the term "law enforcement official" includes such people as a County Fire Marshal, County Attorney, County Health Officer, Justice of the Peace, or Judge of a County Court, and whether the term would include some or all of the members of their staffs.

It is also uncertain what constitutes injury in the course of official duties; for example, some law enforcement officials are considered as being on 24-hour duty.

Payment of salary would cease "on the expiration of the term of office to which such official was elected or appointed". Most of the provisions covered by the amendment are appointive rather than elective. People are generally hied or appointed to these positions for such time as their services are needed or are satisfactory. Some are temporary employees. What constitutes the "term of office" during which the salary must be paid would have to be determined by the courts and would often depend on the circumstances of the individual's employment. Also undefined is the "maximum salary" of officials whose earnings are on a fee basis.

There would be no limitation on the amount, type or cost of medical expenses, doctor bills or hospital bills. Obviously in some cases such expenses could be very large. While the payment of salary would cease on the expiration of the term of office, the county would be authorized to pay medical and hospital expenses and doctor bills for life. The amendment does not specify the source of the tax revenue necessary to implement its provisions.

Usually the Constitution will authorize the Legislature to use its discretion in implementing and putting such a program into effect. In this instance, however, the amendment is self-enacting and it authorizes action by counties without reference to legislative aporoval or interpretation. This does not mean the Legislature could not define terms or establish regulations, but it would be restricted in the exercise of its discretion and in the creation of any limitations.

The amendment would create a new Section 52e of Article III of the Constitution of Texas.

OUTDOORS IN TEXAS

By Vern Sanford

Some people say they do not care for venison. Complaint usually is that they do not like the "gamey taste."

Most people blame the meat itself rather than the way it is handled or prepared.

When fixed correctly, venison is delicious, and most people find it difficult to tell the difference between it and beefsteak.

Many factors are involved in preparing venison that is delicious. In a booklet titled "Wild Game Care and Cooking," put out by the Texas Agricultural Extension Service of Texas A&M University, it is pointed out that "the success of cooked game depends to a great extent on the treatment the animal received when killed."

Deer should be dressed immediately after the kill. The longer the shot-up innards remain inside the cavity, the more tainted the meat becomes.

Most people simply gut the deer, wash it out thoroughly and hang it in a convenient place until it can be taken home or to a locker plant.

Authors of "Wild Game Care and Cooking" recommend the following things to improve the quality of wild meat:

Cut away all tainted or mutilated portions of meat. Do not wash the carcass. To clean, wipe the carcass with a clean cloth. Remove hair and any debris that adheres to the meat. Skin and quarter the carcass for more rapid cooling, if possible. Otherwise, hang the carcass outside at night and wrap it in a large sack, tarp or game bag in the shade or indoors during the day. Protect the meat from flies and moisture. Many hunters prefer to leave the skin on the carcass to protect the meat from contamination until it is butchered.

When taking the deer carcass home, do not expose the meat to motor heat or exhaust fumes. Wrap the meat loosely and transport it on top of the car, the bed of a pickup truck or the car trunk.

As for cooking, the authors explain that young and tender game is best cooked by dry heat such as roasting, broiling, pan-broiling and frying. Dry heat preserves flavor and insures tenderness. Basting with additional fat may be necessary if the meat is lean.

Old and less tender game is best when cooked by moist heat such as braising, stewing and simmering. Swiss steaks and pot roasts are cooked by braising. Add a small amount of liquid to the meat which is cooked in a covered container. Stews, fricasees and boiled game are prepared by simmering (not at boiling point) in hot liquid which partially or completely covers the meat. With moisture, the high temperature necessary to soften the connective tissues can be obtained.

One recipe from the booklet is for venison swiss steak. To prepare this dish, you'll need 1½ pounds round venison steak, three large onions, one medium stalk celery, one cup tomatoes, two tablespoons Worcestershire sauce, and salt and pepper.

The steak should be about 1½ inches thick. Dredge with flour and season with salt and pepper; brown in fat on both sides. Add the other ingredients. Cover tightly and cook at 350 degrees F. or over low heat on top of range until tender (about 1¾ hours). Remove meat to platter and make a gravy from drippings in the pan. Serves four.

The President of the United States should be addressed as Mr. President or Sir.

Copra is the dried meat of cocoanuts from which oil has been extracted.

CARD OF THANKS

We wish to express our sincerest and heartfelt thanks and appreciation to each of you who in any way helped us in our recent loss and bereavement. Nothing can take the place of friends at a time like this and nothing can cause us to forget how wonderful everyone was.

May you be blessed and rewarded for your efforts.

The family of J. A. Provasek

CARD OF THANKS

We want to thank all of our friends who sent flowers, brought food or assisted us in any way when we lost our loved one. We especially want to thank Dr. Richardson, all the Sisters and the entire nursing staff at St. Edward Hospital. They were wonderful.

God bless each of you.

Mrs. Marguerite Massengale and family.

CARD OF THANKS

We wish to express our deep appreciation to the neighbors and friends for the flowers, cards, food and the words of comfort during the loss of my wife, our beloved mother and grandmother. We especially wish to thank Rev. John Solomon and Marek-Burns Funeral Home. May God bless everyone of you.

The family of Mrs. F. B. Durnie

CARD OF THANKS

Our deepest and grateful thanks are extended to our friends and relatives for their thoughtfulness, beautiful flowers, food and assistance rendered us during our recent bereavement.
